FIRST REPORT OF STANDING COMMITTEE ON MARSH LANDS.

To the Warden and Councillors of the County of Welland in Council Assembled:

The Committee on Marsh Lands beg to make their first report:—

Your committee, acting under instructions of a report adopted by your Honorable Council on the 27th of January last *re* Marsh Lands Drainage, also a resolution of Council subsequently passed on 28th day of January, relating to same matter,—

Your committee advertised for tenders for the Engineering of the Marsh Lands Drainage and only received two tenders, viz: one from Thomas Scane, P. L. Surveyor, of Ridgetown, Ont., at \$5.00 per day, and pay his own expenses; the other from H. T. Ross, of Welland, at \$4.00 per day for time actually engaged, Mr. Ross finding himself and furnishing at his own expense all material required for office work.

Your committee considering Mr. Ross to be a good engineer on drainage works, and his tender, being the lowest, was accepted.

Mr. Ross commenced his work of survey and leveling in the month of March last, and continued up to the 15th day of April. That owing to not being able to procure board and lodging in the marsh, Mr. Ross erected a small board shanty on a small float, in which he had his meals and occasionally lodged by night. Mr. Ross was getting on very nicely and felt much encouraged in the progress he was making, and we regret being obliged to report his being disabled, so there is little prospect of Mr. Ross being able to continue the survey this present season.

Your committee beg further to report, that, owing to the facts already stated, the engineering on Marsh Lands Drainage has been at a stand still. By directions of committee, Mr. Lee wrote to John DeCew, P. L. S., Cayuga, County Haldimand, to ascertain if he would undertake the completion of the survey commenced by Mr. Ross. After the lapse of a few weeks, Mr. Lee had a letter

from Mr. DeCew expressing his sorrow for Mr. Ross, and his regret in not being able to serve the County of Welland, on account of his being engaged in Manitoba for this season.

Since the Council met, your committee had information of other surveyors, and if successful in getting a suitable one it is the intention of your committee to have the engineering continued to completion, unless otherwise directed by this Council.

Your committee recommend the account of H. T. Ross, as per statement rendered for his own time and assistance, being paid, amounting to \$236.27, also account of M. Beatty & Son, \$4.50, for one post auger with 10 feet stem in three pieces, said auger to be the property of this County for future use when needed.

Your committee recommend that a resolution of this Council, passed at January session, directing that all amounts for interest due County by Marsh Lands debtors if not paid by first of June be handed to County Solicitor for collection, be not carried out; that owing to the extreme wet weather and bad prospects of getting in crops, that time be extended to first of November before any action be taken.

All of which is respectfully submitted.

REPORT OF SPECIAL COMMITTEE, *RE* NIAGARA FALLS AWARD.

*To the Warden and Council of the County of Welland, in Council
Assembled :*

Your committee, to whom was referred the matter of settlement in regard to sums payable under award by Niagara Falls Town to this County, beg to submit the following in reference thereto :—

At first meeting of committee, held in County Clerk's office, all papers obtainable and calculated to afford your committee information in making out a proper account, were carefully looked into, and statement of such sums as said committee considered Niagara Falls was justly entitled to pay, made up.

The Council of Niagara Falls was then asked to appoint a committee to meet with us, and if possible, conclude terms of set-

tlement satisfactory to both parties. This course they refused to adopt, and asked for statement, which they promised to consider. In accordance with such request statement was forwarded and returned to County Solicitor, with request that it be made out in detail. This was accordingly done, and such statement, itemized account, forwarded to Niagara Falls by Mr. Raymond, to which no reply has been received.

Your committee sincerely regret the time and trouble they have spent in endeavoring to settle this vexed question without bringing about any satisfactory results.

All of which is respectfully submitted.

GENTLEMEN :—

WHEREAS, two aged persons, namely, William Robinson and wife, formerly of the Township of Crowland, in this County, have been lying sick at one Daniel Barnhart's, of the Township of Bertie, for the last eight months.

The said Daniel Barnhart is a poor man, with a large family, who can ill afford to keep and care for these invalids.

Considering this a case of extreme necessity, we, the undersigned, your petitioners, earnestly request that your honorable body will kindly grant liberal aid to the said Daniel Barnhart.

And your petitioners, as in duty bound, will ever pray.

PETITION OF WM. MELLANBY AND OTHERS, *RE*
DRAINAGE ASSESSMENT.

*To the Warden and Councillors of the County of Welland, in
Council Assembled:*

We, the undersigned ratepayers of the County of Welland, have been informed that the County Council are about to take action for the drainage of the Marsh Lands Tract, and that the Marsh Lands Committee have been instructed to report thereon to the Council at the next session, and that the Townships of Humberstone, Wainfleet and Crowland are to bear a special portion of the expenses of drainage of said Marsh Lands.

We are of the opinion that it would be an injustice to the aforesaid townships to pay any part or portion towards the drainage of such lands, except those that have purchased such lands, as they are the only parties benefited thereby.

We furthermore believe that it would be an injustice to those who have dry lands along said Marsh Lands to be taxed for the

drainage of said Marsh Lands, as it is no benefit to them at all; and we furthermore believe that it is an injustice for them to be taxed when they receive no benefit, and the County at large receives the benefit. If Marsh Lands will not pay the drainage thereof, we think that it would be better to sell said lands and appropriate the proceeds towards their drainage.

PETITION OF REEVE AND DEPUTY-REEVE OF WAINFLEET, *RE* DAILY DITCH.

To the Warden and Councillors for the County of Welland :

The memorial of Edward Lee, Reeve, and John Misener, Deputy Reeve, for the Township of Wainfleet, most respectfully represents, that owing to the Daily Ditch not being finished that section of the Township is completely flooded, and the crops in the ground completely perished, and from all appearances the settlers will not be able to get any seeding or planting done in time with expectation of receiving any remuneration for seed and labor. The settlers are a most industrious class of people and claim they are most unfairly treated by the County Council, knowing, as they do, a large sum of money being remitted by the Dominion Government on account of Marsh Lands indebtedness, said remission being made by Government with distinct understanding that said

remission be expended in further drainage for the benefit of the settlers.

Your memorialists are personally acquainted with the above facts, and most earnestly request, as a matter of right and justice, that your Honorable Council will be pleased to instruct the Marsh Lands Committee to take steps necessary and have the work of the Daily Ditch proceeded with and completed the present season.

And your memorialists, as in duty bound, will ever pray.

Reeve of Wainfleet.

of the Province, at Welland, is insufficient to enable me to discharge the duties pertaining to this office with efficiency and due regard for the public interests. The office of Master of the Supreme Court, equivalent to the old one of Master in Chancery, has been but lately established in this County. Through it, numbers of deeds, books and valuable documents are place in my custody, and I am frequently obliged to hold examinations of witnesses in chambers, both as Judge of the County Court and Master. I have no place for the safekeeping of the documents, &c., I have mentioned, and they are exposed to danger of fire and theft, and the accommodation for holding examinations is so extremely limited as to render a proper discharge of my duties almost impracticable. The public convenience, too, requires additional facilities in chambers. The office furniture and fittings are also insufficient. I have, therefore, to ask the County to furnish me with, 1st, A room in addition to and adjoining the one I now occupy, or two rooms in some other situation. 2nd, A sufficient vault or iron safe, for the safekeeping of books, deeds, documents, &c. 3rd, Additional and proper office furniture and fittings. I do not desire to put the County to unnecessary expense; and imperative necessity alone induces me to make this demand.

Should the Council think proper to appoint any of their number to confer with me about the matter, I will meet them in Welland.

GRAND JURY REPORT.

To the Honorable M. C. Cameron, Judge of the Court of Assize :

The Grand Jurors for the Court of Assize for the County of Welland, on their oath, present as follows :—

That we have visited the gaol and gaol yard, and found everything in an orderly and clean condition, and that the prisoners represent that they have been friendly treated and are uniformly well satisfied with their food. We have also visited the Petit Jury Room, and regret to find it unprovided with seats and heating appliances, and would respectfully recommend that the said room be provided with seats and a stove. In accordance with your Lordship's suggestion we have considered the proposed alteration in the number of the Grand Jury, and we are unanimously of the opinion that it would be no improvement on the present system.

Upon our inspection of the prison we have ascertained that on regular employment is provided for the prisoners, and we believe that it would be in the interest of the County that the convicts should be obliged to work.

We regret to find that the prisoners are totally unprovided with any kind of reading matter or religious instructions.

GENTLEMEN,—Your Auditors for the current year, having completed their labors, beg to submit for your consideration the following :—

1st. We have examined your Treasurer's accounts, and compared the vouchers with the same, and find the said accounts correct and satisfactory.

2nd. According to statute, and as per instructions received from your honorable body, we herewith submit detailed statements of the assets and liabilities of the County as they appeared on the 31st day of December, 1881. We did not include the value of County Bridges in the amount of assets, as we are of the opinion that the statute does not intend that this kind of property should be so included.
